

Answer each question as fully as you can. There are no right or wrong answers, this is a chance for you to be as creative as you like!

1. What colour is nowhere?

Example:

---

Nowhere is a greyish pinky sort of colour, the same colour as when you shut your eyes on a sunny day and the light shines through your eyelids.

2. What is the second biggest number in the world?
3. What does purple smell of?
4. What does it taste like inside a cloud?
5. What does an echo look like?
6. What does silence sound like?
7. What does air feel like?
8. Who is now?
